Al-Arabi Professional

The company was established by Mr. Abdel Hamid Al Arabi 20 years ago. It was registered at the Ministry of ManPower under the license number"92".

The Company kept working in Egypt and outside according to international professional standards and accordingly has gained trust from our customers located in different areas including Saudia, Kuwait, Emirates, Qatar, Bahrain, Libya, Jordan.

We have highly qualified HR personnel who are able to select best available trained candidates In addition we are performing remote meetings via SKYPE to overcome distance obstacles meanwhile we are keeping our development and expansion under the Management of Eslam Al-Arabi .

Mission

We engage on a personal level, attentively listening to individual needs and providing effective solutions. We strive to create a transparent and suitable recruitment experience, encouraging honest feedback and continuous improvement.

Vision

Our company's vision lies in transforming the concept of employment by dedicating ourselves to the success of both clients and candidates across various job sectors.

Goals

We aspire to be a leading company in recruitment services, specializing in the Hajj and Umrah tourism sector, as well as various other fields, in addition to our rich history in the Kingdom of Saudi Arabia and the Arab world.

Key Features

Excellence

We embody the relentless pursuit of exceptional quality, precision, and innovation in every aspect of our operations. It is the commitment to surpassing industry standards, fostering continuous improvement, and delivering unparalleled products/services that resonate with our dedication to customer satisfaction and sustainable success.

Respect

It is a core value at Al-Arabi Professionals, encompassing a deep regard for individuals, diversity, and the communities we engage with. It involves recognizing the worth of every team member, client, and partner, fostering an inclusive and supportive environment. At Al-Arabi, respect is the foundation for collaborative relationships, ethical conduct, and a commitment to understanding and valuing the perspectives of others, ultimately contributing to a culture of dignity and professionalism within the company.

Honesty

Honesty is a foundational principle at Al-Arabi Professionals, reflecting our unwavering commitment to transparency, integrity, and ethical business practices. It entails forthrightness in communication, reliability in our dealings, and a steadfast adherence to truthfulness. By prioritizing honesty, we aim to build trust among our stakeholders, foster lasting relationships, and uphold the highest standard of integrity in all our endeavors.

Clarity

A fundamental aspect of Al-Arabi Professionals operations, emphasizing transparent and lucid communication. It involves the clear articulation of goals, expectations, and information, ensuring that our stakeholders have a comprehensive understanding of our processes and offerings. By prioritizing clarity, we aim to minimize ambiguity, enhance collaboration, and empower informed decision-making, fostering an environment where openness and understanding prevail.

A man in a white shirt, tie, and orange safety vest and helmet is holding a roll of blueprints. He is standing on a construction site with scaffolding and structural elements visible in the background. The image is overlaid with a semi-transparent orange and yellow graphic element.
